**1 A Stunning Statement**  
A rare fancy yellowish-brown 9.33-carat diamond plays the starring role in this exquisite ring set in platinum and framed by a halo of diamonds.

**2 Purple Reigns** A striking pendant features a faceted square emerald-cut amethyst set in 18-karat yellow gold suspended from an 18-karat yellow gold solid ball chain.

**3 Mesmerizing!** Pear-shaped icy-blue aquamarine (14.01 total carat weight) glistens in these drop earrings masterfully set in platinum and accented with delicate diamonds.

**4 Eye Candy** Colorful leather bracelets come alive with vibrant sapphires, garnets, tourmalines, and diamonds set in 18-karat gold.

**5 Showstopper** A 2.7-carat Colombian emerald takes center stage in this remarkable ring set in lustrous platinum. Baguette-cut diamonds play a supporting role.
